HLA Asset Protector Matrix

Versatility That Matters

Whether you're just starting a family, managing your business, or planning to leave a legacy for your loved ones, you need an insurance plan that is flexible enough to meet your needs. So, rather than selecting a fixed plan that won't adapt to your changing life situations, why not opt for the incredibly versatile HLA Asset Protector Matrix to better fit your needs.

EASE

Your Coverage Once
Your Commitments Are
Fulfilled

As an entrepreneur, protecting your business loans and key man would be your biggest commitment together with family obligations.

Once your loan has been paid off and family commitments reduce, you wouldn't need the existing high coverage.

HLA Asset Protector Matrix provides you the option to receive high coverage for loan and key man protection in the early years, and allows you to ease your coverage in the later years once your commitments are fulfilled.

Empower Your Financial Security with the Power of Versatility

HLA Asset Protector Matrix is a regular premium investment-linked insurance plan that protects against death. This plan gives you the flexibility of adjusting your plan to safeguard your business and secure the future of your loved ones in your absence. With this plan, you can adjust your coverage when it matters most.

INCREASE

Your Coverage
To Leave a Meaningful
Legacy

As the years go by, your family and business responsibilities will continue to increase. Hence, you'll need adequate coverage to protect your business liabilities and secure the future of your loved ones when you're no longer around.

HLA Asset Protector Matrix offers you sufficient coverage in the early years depending on your needs, and allows you the option of increasing your coverage up to 2 times without underwriting in the later years to build a meaningful legacy for your family.
